Solid Waste Management: The College organized a solid waste management awareness programme in collaboration with Lanka Municipality Board and Hojai District Administration, where many students, teachers and administrative officers of civil administration and municipally board participated in the programme.

The College has Plastic Bank Provided by Lanka Municipality Corporation where, majority of the plastic waste are kept which, later handed over to Municipality. Also many dustbins are placed in various locations of the campus to collect the Waste which are later disposed in proper way.

Further the College has also a place on its campus where the solid wastes materials are disposed. Keeping this in view, the college also manages its solid waste management system. However, there does not exist more waste from college
