Participating in the Webinar, Mr. Anjan Choudhury, renowned Soft Skill & Personality Development Trainer of North-East India and Founder of Skillfinity, Guwahati, emphasis elaborately the concept of the topic to make an awareness among students to Craft their mindset in a diversified view with their innovative ideas to overcome the crisis created in the field of employment due to the Covid-19 pandemic.

What is Mindset Crafting?

- A **mindset** is a set of assumptions, methods, or notations held by one or more people or groups of people.
- The **mindset** defines how an individual or a group reacts to situations and their actions.
- **Crafting** of a mindset involves methods to develop a favourable/conducive mindset.
- A conducive mindset ensures appropriate understanding and behaviour.
