REPORT OF WORLD ENVIRONMENT DAY, 2022
IN LANKA MAHAVIDYALAYA

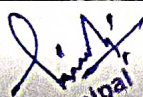

Date : 05/06/2022

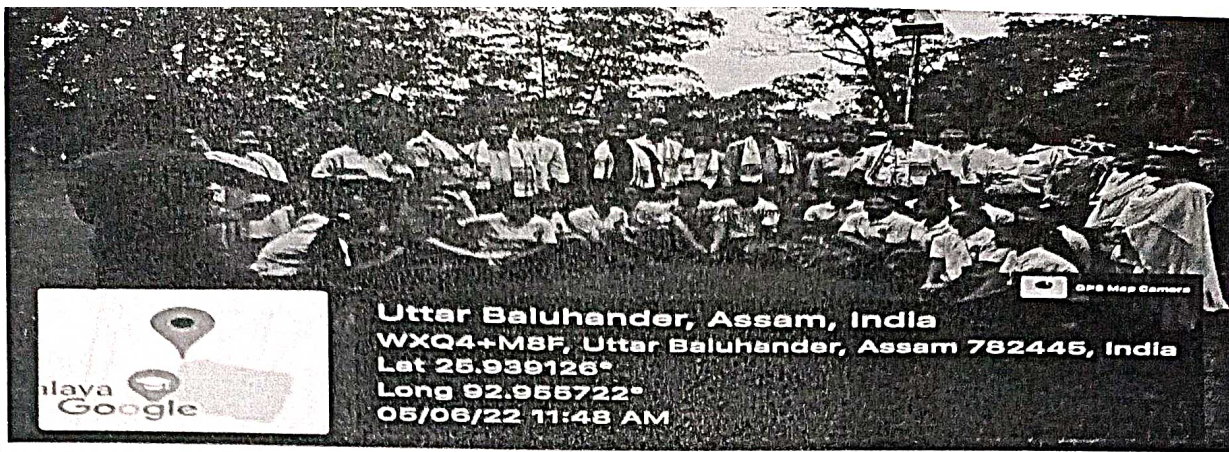

The Lanka Mahavidyalaya, Lanka, Hojai, Assam celebrated **WORLD ENVIRONMENT DAY, ON 5TH JUNE, 2022** in collaboration with **Lanka Forest Range Office** and two other NGOs of greater Lanka, viz. **NAHAR SAMANAY GOSTI & BISHNU RABHA SANSKRITIK GOSTI** with a day long program.

The inaugural program was presided over by Principal of Lanka Mahavidyalaya, Dr. Phatik Tamuly, where Forest officers Mr. Amit Laskar and others, participated as speaker from the collaborator. The main theme of the program was, “*An Awareness Programme on Plantation & Sustainable Living*”, where the panelist emphasizes on huge social plantation so as to contribute on maintaining the environment. The convener of the program Dr. Anil Kr Saikia appeals to the society to avoid plastic.

Further, the program came to an end with a plantation program done in the college campus, initiated by the Officials of Forest Department, Lanka, the members of the NGOs, viz. NAHAR SAMANAY GOSTI & BISHNU RABHA SANSKRITIK GOSTI and Lanka Mahavidyalaya community including students, NSS volunteers and Teaching & Non-Teaching Staff.

Date : 08-06-2022.

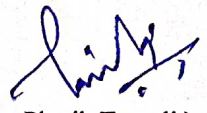

On 8th June, 2022 as part of celebration of World Environment Day, 2022, a Talk on the topic, “**UNDERSTANDING OF CARBON-DIOXIDE, GREEN HOUSE GASES AND CLIMATE CHANGE**”, was organised by *Research and Community Development Cell, IQAC, Lanka Mahavidyalaya*, Lanka, Hojai, Assam, where, the renowned environmentalist, *Prof. Hari Prasad Sarma, former HOD, Environmental Sciences and Rector, Gauhati Univrtsity*, Guwahati graced the occasion as resource person. In the said talk, Prof. Sarma presented before the house in details with audio-visual medium about Bio-Diversity in N.E. India, emission of Carbon –Di-Oxide and Green House gases in environment and necessary measures that may be initiated by the common people to keep the environment suitable for living. After the speech of resource person, many Teachers and Students interact with the resource person about their doubts. In the inaugural speech, Dr. Phatik Tamuly, Principal, Lanka Mahavidyalaya, emphasises on soil degradation and water pollution due to non-scientific use of chemical fertilizers and pesticides. The program was start with a welcome speech from Co-ordinator, IQAC, Lanka Mahavidyalaya, Dr. Lukendra Kakati and end with vote of thanks of Dr. Nibedita Nath, Convener, Research and Community Development Cell, IQAC, Lanka Mahavidyalaya, where the program was coordinated by Ms. Silpisikha Baroah, Assistant Convener of the host Cell.

The talk was attended by about One hundred and Fifty participants including Teachers and Students.
