(As per Teachers assessment by Students) .

Further, the Principal, told to the meeting that the feedback is uploaded in IQAC tab of College website and he suggested to all the departments to develop the Academic activity of the institution so as to make it always Very Good in the eyes of every students.

Further, the meeting resolved the following points

1. Based on the feedback analysis report, It is noticed that due to the non availability of sufficient space, students used to face so many problems while having their refreshments. So, it is proposed that the size of the canteen will be enlarged so that students can sit and have their refreshments comfortably. It is also proposed that hand sanitizing stations in multiple locations will be installed so that students maintain hygiene while enjoying food.
2. As the sanitation facility in the college campus shows average in the feedback report: so it is proposed to install maximum numbers of hand washing stations with the availability of tap water and hand wash. It is also recommended to mop the floors at least twice a day owing to heavy footfall throughout the day and to keep the toilets and urinals neat and clean.
